This matter was most recently opened to the State Board of Medical Examiners ("Board") upon the Board's filing of a Final Order of Discipline on July 26, 2002. Pursuant to that Final Order Dr. Youssef-Ahmed's License in New Jersey was actively suspended for a four month period to run concurrently with the suspension of his New York license.

On November 19, 2003, Dr. Youssef-Ahmed appeared before a Committee of the Board and provided sworn testimony regarding his professional activities since the entry of the Final Order of Discipline. The record in this matter reflects that the New York suspension was satisfactorily terminated in April of 2002 and the

doctor has demonstrated to this Board that he has successfully completed the requirements of his New York probation, which included community service and a physician monitoring program.

Dr. Yousef-Ahmed being desirous of resuming unrestricted licensure in the State of New Jersey and the Board finding the within disposition to be adequately protective of the public health safety and welfare,

It is on this 19th day of May, 2004

ORDERED:

1. The license previously issued to **Maged Z. Youssef-Ahmed** M.D. and suspended by Final Order of Discipline dated July 26, 2002 is hereby restored to unrestricted status.
